We're starting a new day at Westminster Bible Church, so let's begin a new era of closeness to God and to each other! Join in this time of joy and sharing – and **bring your friends!**

We'll watch a DVD from the 2009 Women of Faith Tour. You'll hear from Patsy Clairmont, Marilyn Meberg, Lisa Harper, Sheila Walsh, Luci Swindoll and Steve Arterburg (founder of Women of Faith). This is not an intense study time; these speakers will share the trials and joys of their lives and the adventure that God is taking them on now. Your spirit will be renewed with messages of hope and humor. You'll laugh until you hurt and your tears will flow as you hear these stories.
